WILD
WINGS**

THE PINSTRIPES ARE SACRED, AND JERSEYS AREN'T CHEAP.

Buffalo Wild Wings sauce and the Yankees home jersey: two all-time greats that can never, ever meet. After all, the idea of having to take a jersey to the dry cleaners is enough to make any real fan shudder. Which is why we've made it easier to watch and eat with this handy pinstripe bib. Tear it out, put it around your neck, then tear through some wings. **Official Chicken Wing of the New York Yankees.**
