MIGUEL ANDÚJAR

BATS: R • THROWS: R • DOB: 3/2/95 • BIRTHPLACE: SAN CRISTÓBAL, D.R. • HOMETOWN: SAN CRISTÓBAL, D.R.

Now 27 years old, Miguel Andújar’s potential still thrills Yankees fans and executives who remember the way his helicopter swing and fearless playing style made him a popular choice for AL Rookie of the Year votes in 2018 (he finished second, behind Shohei Ohtani). Since that year, the Dominican Republic native has battled injury woes that kept him off the field for numerous extended stretches, but with a recent focus on adding outfield reps, Andújar expects to be available in any capacity that manager Aaron Boone might need him this season.
